

GO term enrichment

cell junction organization	●	●	●
regulation of cell adhesion	●	●	●
cell surface receptor protein tyrosine kinase signaling pathway	●	●	●
vasculature development	●	●	●
epithelial cell differentiation	●	●	●
blood vessel development	●	●	●
actin cytoskeleton organization	●	●	●
positive regulation of locomotion	●	●	●
positive regulation of cell migration	●	●	●
positive regulation of cell motility	●	●	●
blood vessel morphogenesis	●	●	●
angiogenesis	●	●	●
regulation of cell projection organization	●	●	●
